1. On October 14, 2024, True Value Company, L.L.C. and its debtor affiliates, as debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 cases (the “Chapter 11 Cases”), filed with the United States Bankruptcy Court for the District of Delaware (the “Court”) the *Motion of Debtors for Entry of An Order (I) Establishing Bidding, Noticing, and Assumption and Assignment Procedures, (II) Approving the Sale of Substantially All of the Debtors’ Assets, and (III) Granting Related Relief* [Docket No. 12] (the “Bidding Procedures Motion”),<sup>2</sup> seeking an order, among other things, authorizing procedures (such procedures, the “Assumption and Assignment Procedures”) to facilitate the fair and orderly assumption, assumption and assignment, and rejection of certain executory contracts (the “Executory Contracts”) or unexpired leases (the “Unexpired Leases”) of the Debtors.

2. On November 2, 2024, the Debtors filed the proposed *Order (I) Approving the Bid Protections; (II) Approving the Assumption and Assignment Procedures; (III) Authorizing and Approving the Form of Notice of the Sale of Substantially All of the Assets of the Debtors; (IV)*

*Authorizing and Scheduling the Sale Hearing and Setting Other Related Dates and Deadlines; and (V) Granting Related Relief [Docket No. 268].*

3. On November 4, 2024, the Court, entered an order approving, among other things, the Assumption and Assignment Procedures [Docket No. 297] (the “Assumption and Assignment Procedures and Bid Protections Order”). Pursuant to the Assumption and Assignment Procedures and Bid Protections Order, the Debtors hereby provide notice (this “Cure Notice”) that they are seeking to assume and assign to Do It Best Corp. (“Do it Best” or the “Stalking Horse Bidder”),<sup>3</sup> or, if the Stalking Horse Bidder is not the Successful Bidder at the Auction (if any), any other Successful Bidder(s), the Contracts or Leases listed on **Exhibit A** attached hereto (each, an “Assigned Contract”). **You are receiving this Cure Notice because you may be a counterparty to a Contract or Lease (a “Counterparty”) that is proposed to be assumed and assigned to the Successful Bidder in connection with the Sale.**

4. If the Debtors assume and assign to the Successful Bidder(s) an Assigned Contract to which you are a party, on the closing date of the Sale, or as soon thereafter as practicable, such Successful Bidder(s) will pay you the amount the Debtors’ records reflect is owing for **pre-chapter 11 filing arrearages, if any**, as set forth on **Exhibit A** (the “Cure Amount”).

5. The Debtors’ inclusion of a Contract or Lease as an Assigned Contract on **Exhibit A** is not a guarantee that such Contract or Lease will ultimately be assumed and assigned to any Successful Bidder. Should it be determined that an Assigned Contract will not be assumed and assigned, the Debtors will notify such party to the Assigned Contract in writing of such decision.

6. Notwithstanding anything to the contrary herein, the proposed assumption and assignment of each of the Assigned Contracts listed on **Exhibit A** hereto (a) will not be an admission as to whether any such Assigned Contract was executory or unexpired as of the Petition Date or remains executory or unexpired postpetition within the meaning of Bankruptcy Code section 365; and (b) will be subject to the Debtors’, the Stalking Horse Bidder’s, or any Successful Bidder(s) right to conduct further confirmatory diligence with respect to the Cure Amount of each Assigned Contract and to modify such Cure Amount accordingly. In the event that the Debtors or the Successful Bidder determine that your Cure Amount should be modified, you will receive a notice pursuant to the Assumption and Assignment Procedures below, which will provide for additional time for you to object to such modification.

## I. Assumption and Assignment Procedures

7. The Assumption and Assignment Procedures set forth below regarding the assumption and assignment of the Assigned Contracts proposed to be assumed by the Debtors and assigned to the Successful Bidder(s) in connection with the Sale will govern the assumption and assignment of all of the Assigned Contracts, subject to the payment of any Cure Amounts:

---

<sup>3</sup> A copy of the purchase agreement between the Debtors and the Stalking Horse Bidder, as amended (the “Stalking Horse Agreement” or the “APA”, and such bid memorialized therein, the “Stalking Horse Bid”) is attached as Exhibit C to the Notice of Filing of Cash Collateral Resolution Documents [Docket No. 268].

(a) **Cure Amounts and Adequate Assurance of Future Performance.** The payment of the applicable Cure Amounts shall (i) effect a cure of all defaults existing thereunder and (ii) compensate for any actual pecuniary loss to such counterparty resulting from such default.

(b) **Supplemental Cure Notice.** Although the Debtors intend to make a good faith effort to identify all Assigned Contracts that may be assumed and assigned in connection with a Sale, the Debtors may discover certain Executory Contracts inadvertently omitted from the Assigned Contracts list or the Stalking Horse Bidder or Successful Bidders may identify other Executory Contracts that they desire to assume and assign in connection with a Sale. Accordingly, the Debtors reserve the right, at any time after the Assumption and Assignment Service Deadline and at least two days before the closing of a Sale, to (i) supplement the list of Assigned Contracts with previously omitted Executory Contracts (the “Additional Assigned Contracts”), (ii) remove Assigned Contracts from the list of Executory Contracts ultimately selected as Assigned Contracts that a Successful Bidder proposes be assumed and assigned to it in connection with a Sale (the “Eliminated Agreements”), and/or (iii) modify the previously stated Cure Amount associated with any Assigned Contracts. In the event the Debtors exercise any of these reserved rights, the Debtors will promptly serve a supplemental notice of contract assumption (a “Supplemental Cure Notice”) on each of the counterparties to such Additional Assigned Contracts or Eliminated Agreements, as applicable, and their counsel of record, if any, and the Consultation Parties; *provided, however,* the Debtors may not add an Executory Contract to the list of Assigned Contracts that has been previously rejected by the Debtors by order of the Court. Each Supplemental Cure Notice will include the same information with respect to listed Assigned Contracts as was included in the Cure Notice. If the Successful Bidder is not the Stalking Horse Bidder, the Debtors will file the Notice of Successful Bidder.

(c) **Objections.** Objections, if any, to the proposed assumption and assignment or the Cure Amount proposed with respect thereto, *must* (i) be in writing, (ii) comply with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules, (iii) state with specificity the nature of the objection and, if the objection pertains to the proposed amount of the Cure Amount, the correct cure amount alleged by the objecting counterparty, together with any applicable and appropriate documentation in support thereof, and (iv) be filed with the Court and served upon, so as to be actually received by, the Cure Objection Recipients (as defined below) by the applicable deadlines below.

(1) ***Cure Objection Deadline.*** Any objection to the Cure Amount, to assumption and assignment of an Assigned Contract, or to lack of adequate assurance of the performance of the Stalking Horse Bidder must be filed with the Bankruptcy Court on or before **November 18, 2024 at 4:00 p.m., prevailing Eastern Time** (the “Cure Objection Deadline”) or such later date identified in the Supplemental Cure Notice, and served on: (a) counsel for the Debtors, Skadden, Arps, Slate, Meagher & Flom LLP, 320 South Canal St., Chicago, IL 60606 (Attn: Ron Meisler, Esq. (ron.meisler@skadden.com) and Jennifer Madden, Esq. (jennifer.madden@skadden.com)), One Manhattan West, 395 9th Ave., New York, NY 10001 (Attn: Evan Hill, Esq. (evan.hill@skadden.com) and Moshe Jacob, Esq. (moshe.jacob@skadden.com)), and 920 North King Street, Wilmington, Delaware 19801 (Attn: Joseph Larkin (joseph.larkin@skadden.com)); and (b) counsel to the Stalking Horse Bidder, Taft Stettinius & Hollister LLP, One Indiana Square, Suite

3500, Indianapolis, IN 46204 (Attn: Zachary E. Klutz (zklutz@taftlaw.com) and W. Timothy Miller (miller@taftlaw.com)) (collectively, the “Cure Objection Recipients”).

- (2) *Supplemental Cure Objection Deadline.* Any objection to the assumption and assignment of an Additional Assigned Contract and the corresponding Cure Amount, the removal of an Eliminated Agreement, or the modification of a Cure Amount in the Supplemental Cure Notice (a “Supplemental Cure Objection”) must be filed with the Bankruptcy Court **within seven days of receipt of the Supplemental Cure Notice** (the “Supplemental Cure Objection Deadline”), and served on the Cure Objection Recipients.

(d) **Assumption/Assignment/Cure Hearing.** The hearing to be conducted by this Court to consider objections, if any, to a proposed assumption and assignment or the Cure Amount with respect thereto will commence on **December 4, 2024 at 9:30 a.m., prevailing Eastern Time (subject to Court availability)**, before the Honorable Karen B. Owens of the United States Bankruptcy Court for the District of Delaware, 824 Market St. N., Wilmington, Delaware 19801.

8. Any party that fails to timely file an objection to the proposed Cure Amount, the proposed assumption and assignment of an Assigned Contract or Additional Assigned Contract listed on a Cure Notice or the Supplemental Cure Notice, or the Sale is deemed to have consented to (a) such Cure Amount, (b) the assumption and assignment of such Assigned Contract or Additional Assigned Contract(s) (including the adequate assurance of future payment), (c) the related relief requested in the Motion, and (d) the Sale. Such party shall be forever barred and estopped from objecting to (i) the Cure Amounts, (ii) the assumption and assignment of the Assigned Contract or Additional Assigned Contract(s), (iii) adequate assurance of future performance, or (iv) any of the relief requested in the Motion (whether applicable law excuses such counterparty from accepting performance by, or rendering performance to, the Stalking Horse Bidder or a Successful Bidder for purposes of Bankruptcy Code section 365(c)(1)). Such party shall also be forever barred and estopped from asserting any additional cure or other amounts against the Debtors and the Stalking Horse Bidder or a Successful Bidder, with respect to such party’s Assigned Contract or Additional Assigned Contract.

9. If a Cure Objection or Supplemental Cure Objection as applicable, filed by the Cure Objection Deadline or Supplemental Cure Objection Deadline, as applicable, cannot otherwise be resolved by the parties prior to the Assumption/Assignment/Cure Hearing, such objections and all issues regarding the Cure Amount to be paid, the assignability, or the adequate assurance of future performance, as applicable, will be determined by the Court at the Assumption/Assignment/Cure Hearing, or at a later hearing on a date to be scheduled by the Debtors in their discretion, and in consultation with the Successful Bidder.

## II. Additional Information

10. Service of a Cure Notice or a Supplemental Cure Notice does not constitute an admission that any contract is an Executory Contract or that the stated Cure Amount related to any

contract or Unexpired Lease constitutes a claim against the Debtors or a right against the Stalking Horse Bidder (all rights with respect thereto being expressly reserved). Further, the inclusion of a contract or Unexpired Lease, as applicable, on the Cure Notice is not a guarantee that such contract or Unexpired Lease, as applicable, will ultimately be assumed and assigned.

11. Unless otherwise provided in the Sale Order, the Debtors will have no liability or obligation with respect to defaults relating to the Assigned Contracts arising, accruing, or relating to a period on or after the effective date of assignment.

12. Copies of the Bidding Procedures Motion, the Assumption and Assignment and Bid Protections Order, and the Sale Notice may be obtained free of charge at the website dedicated to the Debtors' Chapter 11 Cases maintained by their claims and noticing agent and administrative advisor, Omni Agent Solutions, at <https://omniagentsolutions.com/TrueValue>.

## Contract Cure Schedule

November 6, 2024

**General Note & Disclaimer:** The Debtors have made a good faith effort in the preparation of this schedule. The Debtors may become aware of certain Executory Contracts inadvertently omitted or the Stalking Horse Bidder or Successful Bidder may identify other contracts they desire to assume and assign in connection with a Sale. The Debtors may also become aware of additional information that may result in modification of the Cure Amounts or other material changes. Accordingly, for the avoidance of doubt, the Debtors reserve all rights to amend or supplement this schedule as may be necessary or appropriate.

Inclusion of a contract on this Schedule does not constitute an admission that any contract is an executory contract or that the stated Cure Amount related to any contract or lease constitutes a claim against the Debtors or a right against the Stalking Horse Bidder (all rights with respect thereto being expressly reserved).

Inclusion of a contract or lease on this Schedule is not a guarantee that such contract or lease will ultimately be assumed and assigned.

**Footnotes:**

(1) The estimated cure amount reflects only the amount the Debtors believe may be required to be paid pursuant to Section 365(b)(1) of the Bankruptcy Code for the assumption and assignment of an executory contract. It is not intended to be reflective of the total accounts payable balance for a particular party as of the Petition Date.

(2) Reflects a summary of the contracts with each counterparty. In certain instances, multiple contracts or entries with the same name may only be listed once.

(3) A contract denoted in bold text reflects the contract that the Debtors reasonably believe is the contract for which the scheduled cure amount is applicable.
